Help Start an East Foothills FireSafe Council

As part of the County-wide, Santa Clara County FireSafe Council (SCFSC), the East Foothills FireSafe Council would engage & mobilize residents of the areas east of Milpitas to south San Jose to protect their homes, communities & environment from wildfires.

The East Foothills FireSafe Council would work with San Jose Fire Department, Milpitas Fire Department, CAL FIRE (CDF) & Spring Valley Volunteer Fire Department to address local wildfire issues and concerns!
