#### Remember:

Create Defensible Space	5
Have Visible House Numbers	16
Replace Wood Shake Roofs	16, 18
Use Fire Resistant Plants	17
Questions? Contact your local fire agency.	

*The pre-fire activities implemented by this homeowner included a green and well maintained landscape, reduction of wildland vegetation around the perimeter of the property, a fire resistant roof and a good access road with a turnaround area. As seen in this photo, these pre-fire activities were effective.*
